

bias, the reporter is for malden so the

DOCUMENT 1 Tom Robard, Newspaper Reporter, **Malden Observer**

The annual Malden - Medford football game ended in dramatic fashion when Donnell Wilson caught the game winning touchdown pass as time expired. Wilson made a leaping catch and landed safely in the endzone **capping an improbable come from behind win for the Tornados.**

**** (note: most high school game results are phoned into the newspaper sports desk) ****

DOCUMENT 2 **Donnell Wilson**, Malden Wide Receiver who caught the winning pass
primary document because he is the one that caught the pass

Did you see that catch?! I mean it was great! Man I knew I had it! That Defensive back was nothing! I ran right by him and just reached out and pulled it in. Focus, real focus!! We're number 1!!

DOCUMENT 3 **Clayton Sheffield**, Offensive Coach, **Malden High School**

Great catch! Unbelievable! Donnell has heart and no quit in him. When it mattered I knew he would come through. He's tough, a real gamer! I had the team focused. We were ready to play. Never a doubt!

DOCUMENT 4 Jasmine McNeil, **Malden Cheerleader Captain**

It was a totally awesome catch! We won the game and, like totally disgraced that other team. I knew we would win after our half-time show, and we did! We rock! Go Malden! Those Medford guys had no chance. And you should have seen those Medford girls! Their cheers were sloppy and screechy. No wonder we won!!! We're number 1!!

DOCUMENT 5 **Demetrius Johnson**, Defensive back who covered Donnell, Medford High School.

We were robbed. That guy never caught the ball, he was lying there on the ground and the ball fell in his hands. He pushed me and the referee never saw nothing. Malden is nothing but a bunch of cheats!

DOCUMENT 6 Mark Burton, Defensive Coach, Medford High School

What can I say? Demetrius played him real tight. Malden ended up on the ground with the ball and the touchdown. **Some nights you just aren't lucky, some you are.**

DOCUMENT 7 Owen Dyson, **Football Referee**, excerpt from his game report to the Massachusetts High School Interscholastic Athletic Association

It was a clean and simple catch resulting in a touchdown. No penalty was involved.

DOCUMENT 8 Robert Benson, Assistant Football Coach, University of Nebraska. Excerpt from his scouting report.

#83 Donnell Wilson, Senior. Position: Wide Receiver. Height: 5'6". Weight: 155. Comment: Has poor hands and only average speed.
